To Whom It May Concern:

I worked with Judy Riddle at Progressive Business Publications from 2005-2006. Judy was an editor and wrote copy for a newsletter, *Safety Compliance Alert*, and also contributed material to a CD-ROM, *Safety Training Toolkit*. As Managing Editor of both, I read and approved her copy. Judy's research and writing were excellent.

Judy wrote a variety of articles, many of which were about workplace health. She showed strong knowledge and good judgment in her choice of material. She also spoke regularly with safety managers to solicit success stories for the newsletter. Judy conducted good interviews and found interesting material from these conversations.

Judy is responsible, polite and easy to work with. She receives constructive criticism well and is eager to learn.

I strongly recommend Judy as a writer/editor.

Sincerely,

Fred Hosier
